

# What next after L3/A levels? Learn while you earn!

Apply now for a construction traineeship.

- ◆ **We're** now seeking ambitious school leavers (who have studied A-levels or a L3 qualification) to embark on a career in construction straightaway.
- ◆ **We** provide four+ years of construction training and day release so that you can study a degree in a construction subject while learning on the job with Diamond Build plc.
- ◆ **You'll** earn an attractive salary linked to your progress and we will also pay all your university tuition fees.

To find out more about this great opportunity, scan the QR code on the right - for a job description, details on how to apply and read about our current trainees.
